Ladies' Aux. To Sponsor CNIB Appeal

The Ladies Auxiliary to the Royal Canadian Legion held their first meeting since the summer recess in the club rooms September 18, with 12 members answering rollcall. The president, Mrs. Degenstein was in the chair, assisted by secretary-treasurer, Mrs. A. Marsh.

Mrs. L. Kuykendall gave a report on Decoration Day. The president expressed the meetings appreciation to Mrs. Kuykendall for her earnest effort to see that at least one bouquet was placed on each Vet's grave in the Memorial Plot.

The Auxiliary will carry on with the bingo games every two weeks beginning September 21. A motion was made to continue with a coffee break during bingo, and was unanimously carried.

The Auxiliary will once again sponsor the appeal for the Canadian National Institute for the Blind. Mrs. Kuykendall and Mrs. Degenstein will convene the Appeal, and will have their canvassers out during the month of October. Advanced plans were made for the coming poppy campaign. Mrs. C. Clarkson and Mrs. D. Woodman are volunteer canvassers for the sale of poppy wreaths.

An appeal from the Unitarian Service Committee was answered with a donation of \$10.00.

Following the business session, Gordon Brown a member of the executive of the Legion, and also an active member of the committee working towards a community and recreation centre, spoke to the meeting on the progress of this great undertaking leaving no doubt in the minds of all, that a busy time is ahead for all Vulcan and community.

A lunch followed the close of the meeting.

1913 Baseball Team Listed

Local clothier Cliff McAskie has recently come in possession of an old time photo of a Vulcan baseball team of 1913. W. A. (Bill) Markham of Puyallup, Washington is the owner of the photo and suggested it might make interesting viewing for many elderly subscribers if it were published.

Unfortunately the photo is showing its years too noticeably to hope for any reproduction but a player lineup accompanies the photo containing the following names: Hudson, Luke Wickey, Hudson, Bill Markham, Claud Clark, Tom Lebeau, Walt Torgenson, Herman Reid, Ernie Anderson.

Do any names ring a bell? If so, more history might be found by contacting Mr. Markham himself whose address is 7622 E-128th, Puyallup, Wash.

Pictured above is a group of interested citizens in attendance at a recent meeting of the Vulcan District Recreation Centre, presently in its final stage of incorporation. Not all are members of the directorate which is to be a representative body of various organizations, clubs, etc. Back row, left to right: Mel Jordan, Dr. Everett Hill, Norman Bucholtz, Stu Joiner, Frank Whythe, Morley Scobie, Beth Jantzie, Ross White, Harry Stoddard, Leonard Volsey, Angelo Murphy. Front row: John Wolfe, Virginia Mitchell, Bill Richardson, Gordon Brown, Boyd McKay, Pat Walker.

For Industrial Development

C of C and Town To Co-operate On Publicity

At the September meeting of the Vulcan District Chamber of Commerce word was conveyed that the Town Council favors the Chamber's plan to publicize the town and area for possible industrial development and will co-operate in such a venture.

As one step in this project an enquiry was sent to the Provincial Industrial Development Branch to see if a survey booklet similar to that published some years ago, was planned for the near future. In reply Richard Martland, Branch Director, stated it might be possible to have such booklets printed this year and requested up to date details on town progress.

A change is planned this year for the Chamber's participation in the Christmas season. Instead of holding the joint visit of Santa for kiddies and shopping day for adults, two separate days are to be held. On Saturday, Nov 30, the Chamber of Commerce will hold a straight Shopper's Day to herald the season and also come closer to matching dates of pre-Christmas shopping activity which exists in the cities. Santa will come the Saturday before Christmas as in past but this year the Vulcan Kinsmen Club will take the Chamber's place as one of the four sponsoring bodies. The others are the Lions Club, Elks Lodge and the Legion.

Complaints were aired by Chamber members about the erratic

driving habits of youthful cyclists being displayed in recent months. It was felt the practice of riding double on bikes, riding three abreast down streets and cyclists using the sidewalks or "wandering" through traffic could only lead to accidents. Stu Joiner, representing the Town of Vulcan, promised the matter would go before the next council meeting with the view to having police officials visit the schools on a safety education program.

Anglican Y.P. Is Organized

A new youth organization, the Anglican Young People's Association of Vulcan, was organized this month and a slate of officers elected headed by Donald Repp as president.

Other officers are Donald Dumka, secretary, and Sylvia Graham, treasurer. Rev. Victor Cowell will act as chaplain and William Babuk was named as counsellor for the young people.

The activities planned for the year were outlined and the first social event will be the attending of the AYPAs rally at Nanton on September 29.

Meetings of the Vulcan group will be held twice a month, with the next one on October 1.

SCOUT-GUIDE ACTIVITIES

The first fall meeting of the 1st Vulcan Scout Troop was held on Tuesday, Sept. 17 at 7:30 p.m. with 20 Scouts in attendance. Some plans were made for the coming year which included a fall camp to be held at Carseland the week-end of Sept. 28-29.

Larry Mumby was presented with his Pathfinder Badge and his Religion and Life Award. The Antelope Patrol were presented with the ribbon they won at the Lake McGregor Camporee last June.

The two Patrols representing Vulcan at the Camporee led by Patrol Leaders Lloyd Sokvitne and Brian Scobie, are to be congratulated on the excellent effort they put into the camp and the awards they brought back to Vulcan.

A wiener-roast was held on Sept. 9, at which 40 Cubs from both packs took part, to mark the opening of the new Cub year.

The first official meeting of the Monday night pack was on Sept. 16. There were 22 boys in attendance. Leaders are Jerry Wylie and Robert Petrosky.

The first meeting of the Wednesday night pack was on Sept. 18. There were 16 boys in attendance. The leader is Milton Scales.

Art Classes To Start Oct. 3rd

The Vulcan Community Art Group will again hold classes beginning Thursday, Oct. 3 at 7:45 p.m. in the basement of the Anglican Church. The instruction will continue under the able direction of H. Wohlfarth, Assistant Professor of Art, Department of Extension University of Alberta, Edmonton.

Last year there were 34 such classes throughout Alberta from Peace River to Staveland, and from Jasper to Vermilion. Prof. Wohlfarth instructed 25 of these classes. Any person interested in painting is welcome to join.

New Season For Local Radio Club

September 26 is the next meeting of the Vulcan County Amateur Radio Club and all members are expected to be there and all visitors will be made welcome.

This will be an organization meeting for the fall classes, to assist any one wishing to obtain an amateur radio license. This year-round hobby, with its three million members all over the world, provides friendship and entertainment to persons over the age of 16 years, as well as a public service to the community around, and its members are always ready in any emergency to assist by keeping a line of communication open at all times.

Meeting time is 8.00 p.m. at the club rooms in the civil defense building. Any person unable to attend this meeting may contact, Ross White or Gene Moyer of Vulcan for more information.

Former Champion Resident Dies At Calgary

Arthur David Nelson, a former resident of Champion, passed away on September 15, 1963, after a short illness.

Born in St. Sylvestre, Quebec in 1885, he came to Champion in 1921 and farmed until retiring to 2201 Centre St. North in Calgary seven years ago.

He leaves to mourn his passing his wife, Dora and two sisters, Mrs. L. A. Smart of Shawville, Quebec and Mrs. G. Voisey of Vulcan.

Services were held at Foster's Garden Chapel, Calgary September 18 at 1:30 p.m., the Rev. Douglas B. Carr officiating. Pallbearers were six nephews, Wilbert, Joe and Hubert Warren, Leonard Voisey, John Cook and Don Hannah.

Interment was in the Mountview Memorial Gardens.

Vulcan Kinsmen To Hold Pheasant Derby

The first supper meeting of the new fall and winter season of Vulcan's Kinsmen Club was held on Thursday, Sept. 19, and from it comes news of a pheasant derby to be sponsored by the club.

The idea is that hunters in the area will take to the fields on opening days, Friday and Saturday, Oct. 4 and 5, and will wind up their weekend shoot by dropping around to the Saturday evening stag at the local Armouries where their pheasants will be judged and prizes awarded for the longest tail feather.

Admittance to the stag can be by purchase of a ticket on a shotgun to be refilled, or at the door. Additionally the ticket entitles holder to buffet styled luncheon, entertainment and a chance to expand with neighbors on reasons why the real trophy winner is still hidden in a thicket, alive.

It's a come-as-you-are evening and starts at 6:00 p.m.

In an effort to build up Kinsmen membership, several guests were invited to the supper and were introduced to the guest speaker, Dick Peabody of Vauxhall, who is Deputy Governor of District 6.

Missing Lomond Trucker Believed To Be In Calgary

A new development Tuesday night in the case of missing Lomond district trucker Axel Nielsen, indicates that the 63-year-old man, who is believed to be suffering from amnesia, may be in Calgary.

A Calgary resident was accosted on a city street at 9:00 a.m. Monday morning by an elderly man who wanted to know what day it was. The Calgary man dismissed the incident from his mind until he chanced to see a picture and story of the missing man in a daily newspaper and recalled that the man who had accosted him closely resembled the description and picture and had acted somewhat confused.

The Calgary man contacted the RCMP at Vulcan and late Tuesday afternoon came to Vulcan to examine pictures supplied by Mr. Nielsen's family. From his description of the clothing and general appearance of the man who had spoken to him Monday morning, and recollection of an abrasion on the man's forehead, RCMP are reasonably certain that the man he saw in Calgary Monday morning was Mr. Nielsen. Members of the Nielsen family are of the same opinion and have gone to Calgary to add their efforts to the attempts of RCMP and city police to locate the missing man.

Mr. Nielsen was slightly injured Friday evening when his truck, loaded with a tractor, rolled over a few miles from Vulcan. A district farmer who came along soon after the accident brought the trucker to Vulcan, where he was examined by a doctor. Other than a slight abrasion or two, Mr. Nielsen seemed entirely well and normal, but it is possible that shock could have set in later, causing amnesia. Mr. Nielsen engaged a room at the hotel and was seen leaving the lobby at about 11:30 p.m. He apparently never returned to his room and it is now thought that he may have caught a ride to Calgary with some passing motorist.

A thorough search of all sheds, empty buildings, used cars and vacant lots in Vulcan has been made by the police and by friends and relatives of Mr. Nielsen, and out-buildings on farms between Vulcan and Lomond have also been checked. A check of all farm out-buildings and treed areas in the

immediate district was being planned before Tuesday night's development, which indicates that the missing man was in Calgary Monday morning and is quite likely still in the city.

Danish by birth, Mr. Nielsen has worked in the Lomond district for the past 35 years. He is described as being 5' 6" in height, slight of build and with reddish, sandy-colored hair. He speaks with a Danish accent and when last seen was wearing a plaid shirt and green trousers.

Hunters Asked To Report Banded Birds

The executive meeting of the Vulcan and District Fish and Game Association was held Friday, September 20, and discussion revolved around the review of earlier executive and general meetings and a look into the coming fall and winter season of the Association.

For future years it was decided a permanent cutoff date for Fish and Game memberships would be set at September 1. Importance of this relates to big game trophy hunters who must be members of the local Association to be eligible for trophies. This eliminates the chance of a hunter bagging a possible trophy, then purchasing his membership. In view of September of this year being over, a cutoff date, for 1963 only, has been set at October 1.

Pheasant season opens in this area October 4 and in this regard a special request is being made of hunters, whether they hold memberships in Fish and Game or not. Anyone taking a banded pheasant is asked to report the number of the band to either the local secretary, Frank Jepps at the P&H elevator or president, Glen Dahl at Central Garage. Tags turned in will then be sent on to authorities in Edmonton.

Authorization was given for membership in the Southern Alberta Fish and Game Council at the cost of \$10 for the next year.

A complete financial statement of the 1963 Rifle Shoot will be given at the next general meeting in order to help evaluate the success of the Shoot.

No date has been set for the fall general meeting of the Association but it will be held shortly after the completion of harvest.

Percy Haslam Scholarship To Be Awarded

Residents of the district who have been or are active in the work of the Berrywater FUA local are reminded that their son or daughter may be eligible for the Percy J. Haslam Scholarship.

Provided for in the will of the late Mr. Haslam, well known former farmer of the Berrywater district who for years took a very active interest and part in the work of the Berrywater FUA, the scholarship is awarded annually and provides for the continuation of education or training each year of a student whose parents have taken or are taking an active part in the work of the Berrywater FUA.

Applications for the scholarship should be made to the Secretary-Treasurer, County of Vulcan No. 2, on or before Friday, October 11.

Duck and Goose Season Opens

A general improvement in the rainfall situation this year has been reflected in a greater population of ducks in this area and nimrods who were out bright and early Monday morning for the official opening of the migratory bird shooting season had fair success.

Some grey geese were also bagged, in the east country.

The remains of Robinson Stores "as it used to be" are shown above as work progresses toward the eventual new building, expected late in the fall on this site. New warehouse space has been added

to Vulcan Supply Co. and this is being used presently as part of Robinson's Store. Ownership of the block has changed from G. C. Collier to Mitchell & Mitchell Stores Ltd.

TCA FETES MAURICE CHEVALIER — MAURICE CHEVALIER, world-famous entertainer, celebrated 60 years of show business and part of his 75th birthday over the North Atlantic aboard a Trans-Canada Air Lines' DC-8 jetliner Sept. 12. A surprise party with all the trimmings was given him aboard the aircraft by passengers wearing paper leis and straw hats and singing Happy Birthday, as the jet winged its way from Montreal to Paris. Mr. Chevalier was presented with a fifteen-pound cake featuring an apple, a straw hat and a cane, a telegram of good wishes from TCA's President and the company's Board of Directors and employees, and a hand-crafted ceramic map of Canada. As the aircraft approached the coast of France September 12 and dawn broke on his 75th birthday, Mr. Chevalier made a broadcast direct from the aircraft to major European radio networks over a special wave length arranged for the occasion. A battery of news cameras and a crowd of well-wishers met him as the jet touched down at Orly Airport in Paris, including popular French singer Mathe Altery, who was celebrating her own birthday. Mr. Chevalier is shown here with some of the passengers aboard the TCA jet over the ocean.

District News

BLACKIE

Over 100 friends and relatives gathered at the IOOF Hall on Saturday evening to extend birthday greetings to H. A. Manville and farewell wishes to him and his family, Mr. and Mrs. C. Manville and family. The Manvilles have moved to Calgary and were asked to return for this evening as a celebration of the 95th birthday anniversary of Mr. Manville. Guests were from Blackie and district, Calgary, Red Deer and Drumheller.

There was a good turnout of members of the Farrow and Blackie congregations of the United Church when they gathered at the Blackie United Church to bid farewell to Rev. Charles MacNutt, Mrs. MacNutt and family. The latter are leaving very soon for Fort Qu'Appelle, Sask. where Mr. MacNutt will be minister. The

guests were presented with a purse of money. After a social hour, lunch was served.

Mr. and Mrs. Leslie Sutor accompanied Mr. and Mrs. Urbe Bricker and daughter Karen to Edmonton for the weekend. Mr. and Mrs. Sutor visited their daughter, Judy, who is training to be a nurse at the University Hospital. Miss Karen Bricker will be entering the University of Alberta, taking the first year of a four year course in nursing.

Don Seney has left for the University of Alberta to start his second year education in Agriculture. Wes Brower of the Royal Bank staff has been transferred to a Calgary branch. Mrs. Doug Lindquist is working here at the bank until a replacement arrives.

Mrs. E. Braunwarth spent a few days in Indus visiting at the home of her son and daughter-in-law, Mr. and Mrs. Ted Braunwarth and family.

Mr. and Mrs. Milt Finley and Mr. and Mrs. Jim Finley and daughter, Yvonne, spent a holiday at Vernon, B.C. with relatives.

Eldon Seney met with a bad accident on Saturday morning while repairing his combine in his yard. Hospitalization was required for injuries to his shoulder and ribs. Quick thinking on the part of Johnny Wollersheim who was helping Mr. Seney prevented further tragedy. Get well wishes are extended to Mr. Seney.

Miss Kay Wollersheim who is teaching in Calgary was home for the weekend. Also guests at the Wollersheim home during the week were their son-in-law and daughter, Mr. and Mrs. Dieter Sehlberg of Edmonton.

The Chamber of Commerce and Agriculture have held two special meetings concerning the building of a new community hall. Committees were named to investigate the tearing down of the present condemned hall and the cost of building a new one.

Mike Raycraft took his pig "Herbie" to market to the Calgary stockyards and men in charge were guessing its weight to be from 600 to 800 pounds. However "Herbie" tipped the scales at 900. Comments at the stockyards were that "Herbie" rivalled Will Roger's pig "Blue Boy" of State Fair movie fame.

Average yields of crops planted in the Blackie district are estimated at: wheat, 35 bushels per acre, 50% harvested; oats, 70 bushels per acre, 95% harvested; barley 65 bushels per acre, 85% harvested; flax, 20 bushels per acre, 15% harvested. Rye should yield about 15 bushels and rape seed about 1000 lbs. per acre. Very little of the latter two grains were planted here.

The rain fall of last week amounted to 1.2 inches.

VULCAN WEST

Ten Commandments Of Hunting

Thou shalt not employ others to kill thy game for thee, nor count game killed by others.

Thou shalt speak to the farm owner of land in a gentle grace, and kindly entreat him to let thee hunt on his premises, lest he boot thy north end from his domain.

Point not thy gun toward any living thing that thou dost not wish to kill. Lo, there are fools and idiots wandering to and fro on the earth, but he who fails to observe this rule is verily the King Imbecille.

Shoot not thy gun toward any cattle, swine, or farm livestock within one-fourth mile of thee. If thou shalt disobey this, the farmer will jab thy pants with his pitchfork till thou roarest for help, and thereafter must eat thy meals standing.

Unload thy gun before thou enterest an automobile. Then may thy days be long and thy funeral postponed.

Take not thy gun by the muzzle to draw it toward thee. Varily, some foolish human may love thee, and why shouldst thou die.

Look not into the muzzle of thy gun whether it be loaded or empty. An empty gun shooteth out an inquiring eye, and the undertaker groweth rich thereby.

Thou shalt not carry thy gun cocked. Thou art a mighty hunter, but the hides of thy friends will not turn shot.

Climb not fences with thy gun in thy hands. Put thy gun through first with the muzzle pointing away from thee and all living things. Better to miss a chance at one crow than to return to thy house with guilt in thy heart and thy friend's hind leg in a basket.

All these rules thou shalt obey and live past three score and ten. If thou failest, thou shalt sleep in thy coffin or in thy prison cell while the mourners go about the street.

'TIS CLUB TIME AGAIN

With fall comes your club reorganization and program planning. This year I plan to offer the following topics. If your organization is interested, please notify me. Foods—Stretch Your Food Dollar. The art of buying and preparing food to keep within the budget. New trends in food on the market. Clothing—Wardrobe Wonders.

Planning your wardrobe to suit yourself and your pocketbook. Survey of fashion, styles and colours. Home Management—Investigate The Interest.

How much do you really pay when you finance your purchases?

When is it to your advantage to charge? All aspects of credit.

Home Design—Household Fabrics. The purchase, care and cost of upholstery fabrics, carpeting and draperies.

Colors To Brighten Your Home.

A new lease on home living with colour schemes and accessories for your home.

Sewing Clinics. Any group of eight to twelve ladies can have the opportunity of receiving a clothing course free of charge.

A hall will be needed for adequate space.

You can receive a one to five day clinic. If you are interested in such a course please notify me as soon as possible so that further arrangements can be made with regard to a pre-sewing clinic meeting.

NEW COURSE

An Important Message—Something New is being Offered—Ever feel swamped??? — you haven't time to do the things you want to do, or you haven't the money, or you just haven't the ideas. If so, we would like to help you enjoy that very important job of yours. How will it be Done? — A course is planned involving two hours for one afternoon each week for six weeks. You will be given lots of opportunity to participate.

What will be Covered?—Clothing—Expenditures of the clothing dollar, wardrobe planning, craft ideas. Food—expenditures of the Food Dollar, entertaining ideas, diets. Home Decorating—decorating ideas, remodeling and home planning. Management—Steps to Security. Management of Time and Energy—ways to save time and energy. Family Living—How to stop worrying — start living — have a Happy Home.

Who Can Come? Anyone. However, if the course is overcrowded (10-20 ladies at the most) it will be limited to those who have been married less than 10 years.

Does It Cost Anything? Yes, there is a small charge (\$2.00 — \$3.00) per person for the entire course. This will pay for a notebook of information covered, possibly hall rental, and hiring a baby sitter to be shared by all members. (If there is any money left over, we'll have coffee after each session.)

Are there any Strings Attached? Just Two—(1.) Courses must be held in the afternoon (don't forget there can be a baby sitter). (2.) No one can come for just one or two of the sessions that are of particular interest to her.

And If You Are Interested? Just find at least ten interested women and contact me. We arrange a preliminary meeting to plan the time, place etc. and you'll learn more about the course.

Sandra and Ken Bloxham were both patients in the Carmangay Hospital during the past week.

Mrs. Philip Fath spent a few days last week visiting her sister in Kelowna B.C.

Colleen Jones entertained a number of her young friends on Monday afternoon, the occasion being her 8th birthday.

Away at Christian schools this fall are, Diane Mueller, who is attending Hillcrest Bible College in Medicine Hat where she is taking her Grade 11 Mark Leese entering Trinity Junior College in Langley, B.C. and Carol Ruggles who has been accepted at Mountainview Bible College at Didsbury.

Sunday evening services at the Evangelical Free Church are being held in various homes. Next Sunday the service will be held in the home of Mrs. Violet Ruggles.

The Women's Missionary Society met at the home of Mrs. Bob Ruggles for their September meeting. Mrs. Violet Ruggles led the devotions on Psalm 126.

Rev. Don Bruck of the Japan Evangelical Mission was speaker at the Evangelical Free Church and showed films on missionary work in Japan, "White Without Reapers."

Mark Losey son of Rev. E. Losey of Champion, is enrolled at Trinity Jr. College in Langley, B.C. Mr. Losey is active in the Evangelical Free Church of Champion of which Rev. Losey is pastor. Trinity Junior College is located on a beautiful 88 acre campus immediately adjacent to the new Trans-Canada highway and some 30 miles east of Vancouver. The college, a Christian Liberal Arts school offering the first two years of university subjects, is beginning its second academic year with students from nine states and three provinces. It is the only protestant college of its kind in the far west of Canada.

U.C.W.

The Champion U.C.W. held their first fall general meeting in the Church parlour, with president, Mrs. Agnes Ferguson welcoming all members and visitors. Mrs. Alexander led in the singing of two hymns and prayer. An interesting report on each unit's activities was given. The sunshine reporter, Mrs. Dunipace reported having sent 48 cards since June. Thank you notes were read from both Judy Fleetwood and Leslie Petronch thanking the U.C.W. for sending them to Naramata camp this summer. Plans were made for the coming fall bazaar on Saturday, November 9.

Election of officers will take place at the next general meeting in November.

Rev. Fyke gave a very interesting talk on organization.

A lovely lunch was served by group No. 1.

Downtown Streets Untidy

The trash barrels supplied by the Vulcan Lions Club and located at strategic points in the downtown area of Vulcan are being used — but not to the extent they should be.

It may be carelessness or thoughtlessness, but the discarding of candy wrappers and cigarette packages on the sidewalk or street when a trash barrel is only a few steps away is far too common a sight.

All the trash thus thrown away generally ends up in the gutter on the south side of Centre Street, blown there by the wind, and gives a general air of untidiness to the business section. The town public works crew occasionally sweeps up the trash and carts it away and some businessmen have the commendable habit of cleaning up that portion of the gutter in front of their business places, but if visitors and our own residents would just make greater use of the trash barrels there would be a great improvement in the appearance of the downtown streets.

Warnings and fines for littering could be imposed but the results would not likely be worth the animosity that could be thus created. The purchase of a small street sweeping machine such as is used in car parkades in Calgary or the cleaning of the gutters at least once a week by the town crew seems to be the only sure solution to the problem of keeping the downtown streets neat and tidy.

Thistle Control Effort

A special effort has been put forth this year by many Alberta farmers and other landowners to get their thistle problems under control. W. Lobay, Supervisor of Soils and Weed Control with the Alberta Department of Agriculture, reports a recent spot check in several areas showed definite evidence that these efforts are bearing fruit.

However, there are still many summerfallow fields, roadsides and uncultivated areas which are being neglected. If allowed to continue this way, these infestations will be potential sources of trouble to neighbors who have conscientiously done their share to eradicate thistles on their own properties.

It is still not too late to do a good job on thistle control says Mr. Lobay. Many of the "late comers" can be prevented from producing viable seed. Equally important is the fact that thistle control now will prevent the plants from storing food reserves in their roots which is essential for the new growth upon which they depend for producing their food. By striking the plants now you are giving them a "double punch."

Mr. Lobay stresses weed control is everybody's job. When done on a community basis it is far from hopeless, in fact it is not even very difficult. Agricultural service boards, through district agriculturists and fieldmen, are ready to advise and assist whenever possible.

The Department of Agriculture and municipal authorities are soliciting the co-operation of everyone to do their share in weed control. By controlling thistles you are helping yourself and your neighbors as well as keeping your community clean.

CARDS OF THANKS

We sincerely appreciate and thank all our friends and relatives for their many acts of kindness, floral tributes, expressions of sympathy and cards during our recent bereavement in the passing of Arthur Nelson, husband and brother.
—Dora Nelson and Linda Voisey. 8-1p

We wish to thank all those who, in any way, helped with our wonderful farewell party. Many thanks also for the lovely gifts and purse of money — they and the good wishes are greatly appreciated.

LETTER TO EDITOR

18 September 1963

Vulcan, Alta.

To the Editor of The Advocate,

Sir:
On behalf of the Artificial Ice Committee, may I express its appreciation for the coverage in your newspaper, that you and your staff have provided in support of this project and its furtherance.

I thank you Bob for providing the space and the staff for this work and Peter for his untiring efforts in connection with it.

I am sure that, if the citizens of Vulcan and district give us the same co-operation, the success of the venture is assured.

Sincerely,
Pat Walker,
Chairman, Artificial Ice Committee

FALL SPRAYING ON FALLOW

Western farmers who have fields in fallow face a rather complex problem at this time of year. On the one hand, they want to do everything possible to weaken or kill the weeds on their fallow, particularly the perennial weeds. On the other hand, they are aware that thorough, late cultivation is likely to leave their fallow fields vulnerable to wind and water erosion.

Certainly many farmers have cause for concern as soil drifting reached almost the proportions of the dirty 30's in some areas of the Prairie Provinces last spring, while in other areas water erosion caused soil losses which will reduce the productive capacity of many fields for years to come. A solution to the problem lies in doing a good job of weed control without leaving the fallow field vulnerable to wind and water erosion.

More and more farmers are combining chemical sprays and cultivation in their fallow program. The results have been encouraging. One application of 2,4-D at about 16 ounces per acre has effectively replaced two to three cultivations and the results, particularly on perennial weeds, such as Canada and Sow Thistle, have been very encouraging. Using chemicals to replace cultivation has several important advantages. It requires less time to spray a field than to cultivate it. Spraying does not destroy trash and stubble and thus leaves more material on the fallow to reduce the danger of erosion. Where a spray application replaces two or more cultivations the cost of fallowing is considerably reduced.

Where perennial weeds such as Canada and Sow Thistle are present on a fallow this fall, and particularly where the trash is light and there is a danger of erosion, the use of 2,4-D spray rather than more cultivation would appear to be the logical approach to the problem.

One pound of 2,4-D per acre, applied three weeks or so before killing frosts are expected, will do the job. The effect on weakening the thistle stand will be greater than with cultivation and the dead weeds, along with the trash, will be left in the soil to protect it from erosion.

FOOTHILLS BASEBALL LEAGUE CHAMPIONS — Shown above are the Lomond Regals after winning the Foothills League by downing Enchant in a best of five final three games straight. Back row, left to right: Harold Magnuson, Pete Degenstien, coach Marvin Huff, Marvin Henrickson, Don

Humphries, Dusty Rhodes, Alvin Henricks, front row left to right Darrell Maronda, Bill Thompson, Manager Fred Maronda, Harold Nielsen and Tim Ost. Missing was Bill Chambers.

Before the finals Lomond defeated Okotoks and Enchant defeated Champion in the semi-finals.

Dusty Rhodes is holding the trophy he was presented with for the most home runs in the league with six. Doug Gillespie of the Enchant club was presented with a trophy for the pitcher with the best record, his record was 12 and 2.

Favorite Team Now Out To Pasture

Thirty-five years ago on the 2,400-acre prairie farm of James Wyatt near Vulcan, was born Kate, a Clydesdale mare.

She was the first member of what was to become undoubtedly, the oldest four-horse team in the world, and one which continuously worked together all their lives.

The animals' ages today total 129 years, 28 of which they were harnessed together. The average life expectancy of horses is 25 years. The others in the team are Bess, another Clydesdale mare, 32, Scotty and Red, each aged 31, both half Clyde-Percheron geldings.

The mares are from the same dam, different sires; a curious fact neither produced colts. The

HARD WORKERS

This remarkable team worked together first on the Wyatt farm at Vulcan for 14 years. In these "young" days of their lives together, the horses plowed, drew binders, hauled grain, barley wheat, oats and hay to market.

They worked from eight to ten hours a day during their first 20 years. Then, they were "promoted" to lead some of the 16-horse teams used for long grain hauls, before tractors became commonly accepted on the farm.

FOND OF ALL

Owner Wyatt speaks with great pride and affection about his wonderful four-horse team. "Bess has

always been the best lead horse. She was outstanding in those early days of the long grain haul when 16 horses were used. In the bush, Scotty was notable for his intelligence in sled work. The four were always good natured, getting along well together. The mares share a stall. So do the geldings.

They are no longer used for work.

"I've retired them" said Wyatt. "Beginning this year, they can loaf in pasture in summer, warm comfortable stalls in winter. But when called upon, they can still pull their weight."

Carboplan typewriter carbons carried in stock at the Advocate.

LOMOND

Mr. and Mrs. Nels Solheim of Velva, N.D., have returned home after a recent visit at the Ingvald Magnuson home. While here they also visited other relatives in the district.

Mr. and Mrs. Ingvald Magnuson accompanied Mr. and Mrs. Nels Solheim on a trip over the Rogers Pass to Bellingham, Wash., where they visited their nephew. While there they were deep sea fishing on the Pacific Coast with Magne Kalhovde who is a commercial fisherman.

HOME & SCHOOL ASSOCIATION

The September meeting of the Lomond Home and School Association was held at the school on Wednesday evening, Sept. 11. The meeting opened by repeating the Creed in Unison.

Abe Wiens was elected 1st vice-president and Gordon George 2nd vice-president for the Lomond Home and School Association.

The secretary was advised to write the Vulcan County Council stating that the Lomond Home and School Association are in favor of joining the Lethbridge Junior College District.

The president, Ross Ruggles presented the past president pin to Mrs. Edna Magnuson. Mr. Liebrich introduced the

teachers and extended a welcome to them. He then presented Miss Sherry Huff with a \$100 scholarship on behalf of the Good Will Service Club and the Lomond Community Club for receiving the Highest marks in Grade XII. This was followed with a talk explanation regarding the program for high school students by Mr. Liebrich.

Ross Ruggles then presented a very informative talk on the Credit Union.

A delightful lunch and social period brought the evening to a close.

Make This Your 1963 Project . . .

Vulcan and District's COMMUNITY AND RECREATION CENTRE

In the accompanying box to the right is the general wording of a pledge form soon to be familiar to Vulcan and district residents. This pledge form indicates the point of progress which has been reached by a dedicated group of town and district men and women who for almost two years, have been planning and working towards a goal of an extensive renovation of the Vulcan arena into a community and recreation centre.

First step is artificial ice for which the coming drive is aimed. Eventually it is planned that urgently needed banquet and auditorium facilities will be included in the lay-out. Then, with cement floor under the artificial ice, provision can be made for 4-H shows, roller skating, Scout-Guide activities, basketball, badminton, bingo, dances and other activities with the whole project being at one location for year-around use. This is the ultimate objective.

A group is presently formed which, when properly incorporated under the Societies Act, will be known as the Vulcan District Recreation Centre and in whose hands will fall the task of drawing up a final plan for the building and the responsibility of raising necessary funds with which to complete the task.

Previous surveys have indicated strong general financial support will be forthcoming and with family contributions arranged as outlined on the pledge form it is felt the immediate objective of at least \$50,000 will be reached.

Although the Recreation committee is aware that a completely new building affording modern design and structure would be the most satisfactory answer to the need for such a centre, this is considered beyond the present financial capabilities of the town. However assurance has been given by the Provincial building inspector that the arena is structurally sound and he recommends use of the building as it is now intended and has placed an equity in the present arena of \$50,000.

Its close proximity to most of Vulcan's residential area is another factor not likely to be duplicated were it possible to finance a completely new centre, and the committee envisions ways of alleviating the parking problem which is one admitted drawback of the arena site.

And so, the first step in the program, artificial ice, is about to get underway and thus hasten the day when the vagaries of our winter weather and its effect on natural ice, will be eliminated.

— LAST WEEK'S MARKET REPORT —

FRIDAY, SEPT. 20th BEEF AND FEEDER SALE—

The good weather kept the contributors and buyers in the harvest fields and we had a small sale as a result. The market was lower for the weekend and as this report is written it is lower again. We don't think the lower prices are here to stay and we advise you not to panic in the selling of your beef. Good to Choice Butcher Steers \$22.50 to \$24.50; Good to Choice Butcher Heifers \$21.50 to \$23; Good Cows \$15 to \$16.50; Common to Medium Cows \$13 to \$14.50. Good Yearling Steers \$22.50 to \$23.70; Good Yearling Heifers \$19 to \$21.50. There are not enough calves coming as yet to establish a basic market.

SATURDAY, SEPT. 21st PIG AND MILK COW SALE—

All classes of hogs were fully steady. Weaner Pigs \$8 to \$11.50 with outstanding kinds higher; Feeder Pigs \$12 to \$35; Piggy Sows \$45 to \$80; Boars \$15 to \$35. Baby Calves not here. Milk Cows not here. Phone or see us for further market information.

FRIDAY, SEPT. 27th, at 1:30 p.m.—

Regular Beef and Feeder Cattle Sale.

We are being favored with lots of Packer representation at each sale so bring us your beef for top prices.

SATURDAY, SEPT. 28th, at 1:30 p.m.—

Regular Pig, Milk Cow, Horse and Sheep Sale. Bring your fat hogs to us and be assured of the highest market prices.

— SPECIAL NOTICE —

Tuesday, October 1st, we are holding our first Feeder and Calf Sale of the season and this will continue on each and every Tuesday to December 31st. Make plans to sell your cattle at the High River Auction Mart, the cleanest and largest all-covered Auction Market in Canada — the place where everyone is treated alike. We don't cater to the so-called big wheel at the expense of the smaller contributor and we are not interested in setting fictitious prices for the use of advertising.

Celebrates 95 Years

MARTIN G. CLEVER, Champion district pioneer, celebrated his 95th birthday recently with friends and relatives. He is shown with his wife Elvira.

Founder Of Cleverville Celebrates 95th Birthday

Founder of the settlement of Cleverville, which was later relocated and became the village of Champion, Martin G. Clever, celebrated his 95th birthday recently and was the recipient of a scroll from Hon. J. Percy Page, Lieutenant-Governor of Alberta, and greetings from Premier E. C. Manning.

His wife, Elvira, who resides in Edmonton but visits him frequently at Cleverville, where he has lived since 1958, brought with her for the celebration a birthday cake in the form of an open book, which has been her custom since their marriage.

Born in Pittsburgh in 1868, Mr. Clever moved with his family to Iowa three years later. In 1905 he came to Alberta, taking up a homestead about 95 miles south of Calgary and in time acquiring more than two sections of land. A nearby settlement was officially called Cleverville but when the railway came through it was relocated and is now the village of Champion. The Cleverville Pioneer Club takes its name from this first settlement. With his farm well established, Mr. Clever branched out and later interests included a real estate business and a car lot in Calgary and a garage in Champion.

From Our Correspondents

LOMOND

Mrs. Bobbie Nimz and Holly returned to their home at Red Deer on Sunday after spending the past two weeks at Lomond while her mother was a patient in the Vulcan Hospital.

Best wishes for a speedy recovery are extended to Al Clifford who is a patient in the hospital at Calgary.

Friends will be pleased to learn that Miss Bessie Bell is at home again after being a patient in the hospital in Vulcan.

Mrs. Fred Lindstedt returned home from the Vulcan Hospital on Friday. All wish her a speedy recovery.

Bill Chambers was a weekend visitor at the home of his parents, Mr. and Mrs. Joe Chambers. Bill is stationed at Penhold, Alta.

Friday, September 13, was a lucky day for Frank Koch of Lomond. A draw was made that evening at the K of C dance at Vauxhall for the Lucky Ticket Holder. Prize was either a trip for two to the 6th Annual World Series or \$500 in cash. No doubt when the phone rang at 1:45 a.m. Saturday morning it gave them quite a start. It was a nice surprise and almost a birthday gift to Frank who celebrated his birthday on September 16. Congratulations on both these happy occasions.

BIRTHDAY CLUB

The Birthday Club met at the home of Mrs. Earline Lindstedt on Thursday afternoon, September 12. The opening song was "Paper Doll", and for roll call each member answered the question "Why I joined the Birthday Club".

After some discussion, plans were made to have a bingo, a bazaar and a bake sale to be held the first week of November. More discussion ensued regarding making a quilt and it was decided to leave more definite plans until the October meeting.

The closing song was "The sidewalks of New York". Mrs. Lomas was the lucky winner of the raffle, and Mrs. Mary Crawford the lucky winner of the contest. A delicious lunch, served by the hostess and her helpers was enjoyed by all.

QUEENSTOWN

A one-bushel quota became effective at Queenstown on Monday, September 23.

George Kingsmith went to Calgary last week to find living accommodations for the winter.

Mrs. Pat Nelson who had been in Bassano Hospital for a few days due to a sore back returned home on Tuesday of last week.

Harvesting was put to a halt last week due to rain but began again over the weekend.

Mr. and Mrs. Don McCord motored to Delisle, Sask., on Friday to attend the funeral of Mrs. Rhoda Arntsen, mother of Mrs. McCord.

**You Never Saw ...
a Newspaper**

Thrown into the gutter or waste basket before it was read, did you?

But waste baskets and gutters are constantly filled with unopened expensive direct advertising, sales ammunition shot into the air.

A newspaper always commands an audience with prospective customers. It is never thrown aside without first being read from cover to cover. Then it is borrowed by the neighbors.

That's why intelligent, attractive newspaper advertising is accepted as the most effective form of advertising your business.

An advertisement in this paper will reach over 90 percent of the buyers in the local trade territory. The cost is very small, and besides we do the mailing and pay the postage.

Mr. and Mrs. Les Walsh from Foremost spent the weekend with Hank Walsh's.

Mr. and Mrs. Howard Mallabone and family from Calgary spent Sunday at the home of Pete Brown's.

Congratulations to Mr. and Mrs. Norman Jacobsen on the birth of a son last Thursday.

Get well wishes go to Joyce Cochrane who is confined to bed with rheumatic fever.

Mr. and Mrs. Jim Craig and family spent the weekend visiting at the home of Dodd House's.

Mr. and Mrs. Archie Harrison of Banff visited in the district last week, when the Arney family were together to celebrate Frank Arney's 90th birthday.

The Arrowwood Home and School held their first meeting of the new term. There was a good attendance. Marlene Williams was presented with the Grade Nine Scholarship. D. Binning, Principal, introduced the rest of the staff. The group voted to hold the Bean Supper and Variety Night in the spring this time instead of the fall, when there seem to be so many suppers on. Mrs. Jack Ward, Mrs. Don Williams and Mrs. Frank Wyatt served lunch.

Including the \$565 million deficit forecast for the current year, the federal government's deficit for the decade will total \$3,437 million.

Three years ago, Mrs. Jean "Sourdough" Hoare, of the Claresholm district, a member of the Willow Creek Historical Board, was approached for some points of interest by the secretary of the historical board of the provincial government. Three places were suggested, one was the Leavings from the stage coach stop-over where the trail left Willow Creek. Another was a big buffalo jump

at Boneyard Coulee. At Table Butte which crosses over the coulee, is a large erratic rock where the buffalo were run off into the coulee. The third suggestion was to mark the land of the cattle barons. This area was near Carmangay on the east highway. The researchers from the museum branch of the Alberta department of the provincial government are always looking for sites

of historical interest so a sign may be erected to inform tourists and residents of the old days in as many sections of Alberta as they can.

After three years, this sign was erected to mark the location of the Leavings. The sign is situated on the east side of highway No. 2, just south of the Pulteney elevators. — Claresholm Local Press

Carmangay

HOME & SCHOOL ASSOCIATION

Carmangay Home and School Association got off to a good start for the 1963-64 season on Thursday, Sept. 19, with a large attendance of interested parents present.

A new slate of officers was installed by Mrs. Emma Smith, the regional director: President, Mrs. Elnora Anderson; vice-president, Mrs. Hazel Lyckman; secretary-treasurer, Mrs. Lydia Anderson; program, Mrs. Margaret McLeod; Mrs. Gerlie Greene and Mrs. Eleanor Ross.

More room representatives are needed but the following were installed at the meeting: Grades 1 and 2, Mrs. Anne Blimkie; Grades 3 and 4, Marcella Moore and Mrs. Doreen Greene; Grades 5 and 6, Mrs. Vivian McFarland and Mrs. Betty Kryzanowski; Grades 7 and 8, Mrs. Gladys Stafford; Grade 9, Mrs. Rhoda Minty. It was decided to hold meetings on the third Thursday of every month for the coming year.

Mrs. Emma Smith announced that a regional conference will be held in Carmangay on Nov. 21, in the evening. Everyone is urged to keep this date in mind and attend. The annual nationality

supper will be held again this year on Saturday, Dec. 7.

A delegate is needed to attend the workshop being held at Banff on Oct. 21-24.

Mr. Jones of the County Band Committee spoke giving details of what has been achieved and urged the young people from the Carmangay district to take advantage of this opportunity. Mrs. Emma

Smith is their representative for the district.

Expressions of regret were presented in the form of a card to Mrs. Roemniele who is leaving the district. It was noted that she has been an active member for the past 17 years. The Home and School will greatly miss her.

PRISCILLA CLUB

Priscilla Club met Sept. 18, at the home of Martha Nelson with eight members and four visitors.

A short business meeting was held. Connie Stettner and Hettie Teskey thanked the club members for the get-well cards sent to them while they were ill. Raffle

was won by Ruth Schumaker. Reverse was played, Hazel Lyckman having low score and Joy Lazo with high score.

The next meeting will be held on Oct. 2, at the home of Frances Burns, with roll call being something interesting starting with the letter "M".

BIRTHDAY CLUB

A social evening was held on Thursday when the Birthday Club was served by the hostess.

The next party is to be held on Sept. 27, at the home of Miss Mabel Hillard. A delicious lunch was served by the hostess.

HOWE — DECKER

Las Vegas Honeymoon For Couple Married At Vulcan United Church

The Vulcan United Church was the setting for a pretty summer wedding when Beverly Ann, only daughter of Mrs. Violet Decker and the late Mathias Decker, was united in marriage with Stanley Richard Howe, only son of Mr. and Mrs. H. R. Howe of Champion.

Rev. Donald Sharpe read the marriage rites for the double ring ceremony. The bride was given in marriage by her eldest brother Donald Decker. Her floor-length gown was fashioned of nylon organza over bridal taffeta. Silk embroidered bows adorned the bodice, skirt front and the lily point sleeves. The back of the skirt was pleated to form a modified bustle.

The rhinestone and pearl tiara held the chapel veil in place. Her cascade bouquet was of red roses and stephanotis. Diane Bourassa of Radville, Sask., maid of honor; Mrs. Uwe Cornells of Calgary and Mrs. Wayne Davey, bridesmaids, wore identical street length dresses of blue crystal charm. Open pill-box head-dresses with not completed their ensembles. Their cascade carnation bouquets were centered with white ribbon.

The groom was supported by Murray Ohlheiser. The guests were ushered to the ribbon marked pews by Alfred Little and Leslie Krasman.

During the signing of the register Judy Christensen sang "Wedding Prayer" accompanied at the organ by Margaret Ann Jamison. The wedding reception was held in the Champion Community Hall. The bride and groom were assisted in the receiving line by Mr. and Mrs. H. R. Howe, Mrs. Violet Decker and Donald Decker. For her daughter's wedding Mrs. Decker chose a pale pink crepe sheath with white accessories. Her corsage was a gardenia with pink sweetheart roses. The mother of the groom wore a two piece beige

embroidered ensemble with white accessories, she carried a small tapestry bag. Her corsage was fashioned of pink roses.

The bridal table was centered with the three tiered wedding cake, beautifully decorated with white doves and silver leaves. The cake rested in a profusion of blue net. Pink and white streamers and silver bells decorated the background for the bridal table.

Jim Ebner of Consul, Sask., the bride's uncle, was Master of Ceremonies.

E. D. Nowlin proposed the toast to the bride. He said that he considered it a pleasure to be given the opportunity to speak on this happy occasion. He had known the bride since she was a little girl and would always remember her pleasant smile whenever they met. The groom responded to the toast to his bride, expressing his thanks to Mrs. Decker for her daughter and to his parents for their help.

Murray Ohlheiser proposed the toast to the ladies in waiting. The maid of honor responded. Mrs. Murray Ohlheiser was in charge of the guest book.

Open House followed the reception. Long's Orchestra supplied the music for the well attended wedding dance.

For their honeymoon in Las Vegas the bride wore a pink sheath dress with white accessories. Her corsage was a white gardenia with pink sweetheart roses.

Out-of-town guests to the wedding were from Consul and Bracken, Sask.; New Westminster, Burns Lake, North Burnaby and Boston Bar, B.C.; Calgary, Bowden and Nobleford.
